The Beaujolais grape, gamay, proves a tasty option for pinot lovers

## GO GAMAY!

### CLASSIC STYLE

#### **Pierre-Marie Chermette Les Griottes Beaujolais 2010**

An attractive example in the classic Beaujolais mode, this displays gamay's characteristic light and tangy raspberry and cherry jelly fruit with hints of florals. (From Maison Vauron, Wine Vault, Caro's, Wine Direct.)

● Martine and Pierre-Marie Chermette are in New Zealand this month, hosting a tasting of their Beaujolais wines at Maison Vauron on February 21. (For more information contact [www.mvauron.co.nz](http://www.mvauron.co.nz) or (09) 529 0157.)
